## EDUCATION

### Carleton College

Northfield, MN

*Bachelor of Arts: Computer Science, Minor: Mathematics, GPA: 3.6 / 4.0*

Sep 2022 – Present

- Relevant Coursework : Computer Security, Intermediate Cybersecurity, Software Design, Computability and Complexity, Multivariable Calculus, Linear Algebra
- Study Abroad / Fellowship: Experiential Fellowship in Shanghai's Tech Ecosystem; History, Culture, and Commerce in Africa and Arabia; Architectural Studies in Europe

## TECHNICAL EXPERIENCE

### ColorCode – Carleton College CS Department

Northfield, MN

*Vice President*

Aug 2024 - Present

- Lead a student organization supporting underrepresented CS students and fostering an inclusive community in the department
- Organize LeetCode practice and interview prep sessions, and coordinate student participation in career fairs, tech conferences, and industry speaker events

### Salesforce – Slack Customer Protection Team

San Francisco, CA

*Security Engineering Intern*

Jun – Sep 2025

- Investigated suspicious account activity through audit log analysis and triage; revoked sessions and implemented preventative measures for recurring issues
- Expanded investigative capabilities by introducing new account risk signals and alerting mechanisms, and presented enhancements to the broader security team
- Partnered with cross-functional security teams to resolve escalated incidents, strengthening Slack's customer protection workflows and improving detection and response

### Salesforce – Futureforce Tech Launchpad

San Francisco, CA

*SWE Intern*

Jun – Aug 2024

- Completed a full-stack web development program using the PERN stack (PostgreSQL, Express.js, React, Node.js), strengthening both backend and frontend skills
- Built a capstone project integrating Google Maps and OpenAI APIs, with features including user authentication, interactive mapping, and user-generated posts
- Leveraged AI tools such as GitHub Copilot, ChatGPT, and Einstein to accelerate development and improve workflow efficiency

## LEADERSHIP & RELEVANT EXPERIENCE

### Residential Life – Carleton College

Northfield, MN

*Resident Assistant*

Aug 2023 - Jun 2025

- Mentored and supported a diverse community of 40+ residents, fostering inclusion, academic success, and student well-being through peer guidance and programming
- Mediated conflicts, enforced community standards, and coordinated with staff to maintain a safe and supportive residential environment

### Cultural Programming Board – Office of Intercultural Life, Carleton College

Northfield, MN

*Member*

Jan 2023 - Jun 2024

- Organized campus-wide cultural events and collaborated with student organizations to promote diversity, inclusion, and intercultural exchange
- Recognized with the *Most Outstanding First-Year Award* for leadership, event coordination, and contributions to community building
